## Mission

It is the school's mission to inspire, nurture and provide an enriching experience to each and every child through a carefully constructed and imaginative age appropriate curriculum that provides a creatively charged learning environment

## Programs

**Dance Together—Bays & Girls ages 2.5-3 (45 min)**  
This program incorporates songs, stories, nursery rhymes that involve fine and gross motor skills, coordination and imitation of actions. They gallop, jump through hoops, dance with bells, and so much more. Parents are invited to join in the fun.

**Dance Alone – Boys & Girls ages 3.5 – 4 yrs (45 min)**  
Pre-school age children further develop their fine and gross motor skills through activities such as marches, hops, leaps, skips and jumps, developing their rhythm and musicality. Class meets once a week for 45 minutes.

**Primary Ballet - Boys & Girls ages 5-6 yrs (60 min)**  
Following the American Ballet Theatre Training Curriculum the dancer is introduced to age-appropriate ballet exercises, floor work to develop strength and flexibility, and working in the center and across the floor. The music of classical ballet repertoire is explored and dancers are invited to participate in Long Island Ballet Theatre's The Nutcracker. Meets for 1 hr weekly; may take more than 1 class at no additional charge.

**Boys Class—Fitness & Flexibility Ages 5 & up (60 min)**  
Meets for 60 minutes once a week This is a new class intended to provide boys an opportunity to experience dance from the point of view of the male dancer. This movement class explores Primary ballet curriculum, various musical styles, general conditioning and stretching - ideal for either the active boy or someone interested in improving balance and/or the art of movement for theater, sports, or general good health.

**Beginner Jazz – Ages 6-9 (60 min)**  
Meets for one hour each week and learn how to move to an eclectic blend of music & styles.
